

HOW TO MAKE AND PERFORM

a CANTASTORIA

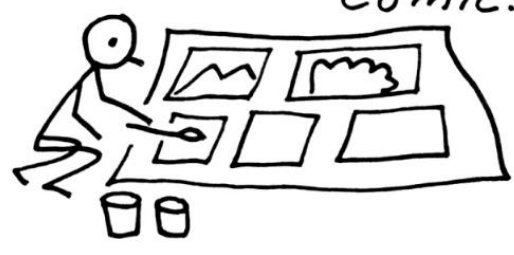

BY JAN BURGER

① Have an Idea.

② Paint pictures on old bedsheets, one picture per page, or in a sequence, like a comic.

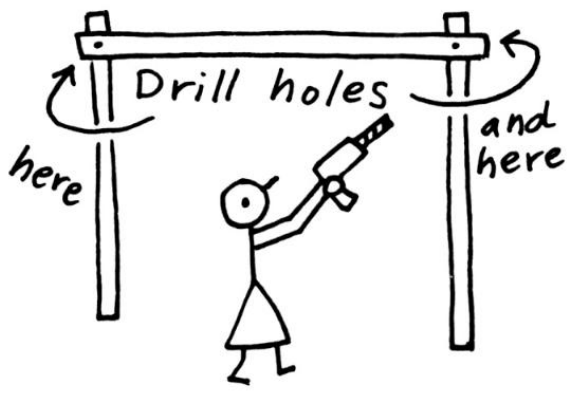

③ Write a script or lyrics.

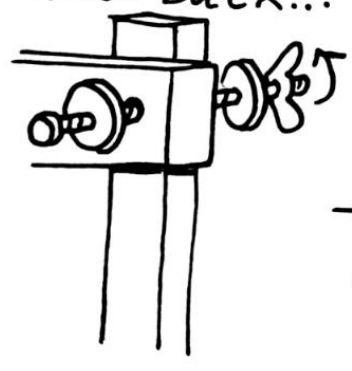

Rhyming is nice. You can also write the script while rehearsing.

④ Get 3 pieces of 8'-1x2" Lumber or bamboo or cut saplings.

⑤ Attach the wood on each side with a bolt, a wing nut, and a washer in the front and back...

or use rope with a little slack.
